

A Mega Exhibition and  
Conference

# INFRA-Medi

Medical Innovation for Better & Healthy tomorrow

## EXPO

26th, 27th, 28th September 2024

Udaipur, Rajasthan, India

## About the Expo

The Event provides a platform for networking and collaboration within India's Medical and Science & Technology sector, with potential global ramifications. It seeks to convene various stakeholders such as Start-ups, MSMEs, Innovative Entrepreneurs, R&D Facilities, Incubators, Public and Private Hospitals, Banks promoting Health Insurance, etc.

By bringing together industry players, academia, research institutions, investors, hospitals, state governments, and Government officials, the event aims to drive progress in the sector. With a thematic focus on 'Advancing Technologies,' it will emphasize the pillars of 'Knowledge, Experience, and Networking,' spotlighting India's medical devices ecosystem and cultivating a distinctive brand presence in this domain.

## Organization Profile

Visual Myths, a Delhi based organization in Bharat (India) registered with Niti Ayog (DARPAN) & MSME. We are associated closely with various government authorities where we have consistently delivered successful value-added services through events like Seminars, Conferences, Exhibition and creative effect solutions for digital developments. We work with a vision to create value at all levels that help build a technological Infrastructure to combat global competition through business ethics and fair dealing. We work in a conducive culture that delivers the highest standards in the industry- something that the MSME sector is also based on.

## Main Focus of the Expo

The primary objective of the Expo is to serve as a nexus for forging new business relationships, with the participation of leading brands at the forefront. It endeavors to unite thousands of suppliers offering medical equipment, diagnostic tools, laboratory devices, accessories, and healthcare services under a single roof. By providing this platform, the Expo aims to facilitate connections that drive innovation, collaboration, and growth within the healthcare industry. Through the convergence of top brands and diverse suppliers, it seeks to foster a dynamic environment where ideas are exchanged, partnerships are formed, and opportunities for advancement are realized. This gathering serves as a catalyst for fostering synergies between stakeholders, enabling them to explore new avenues for business development and expansion. By bringing together a wide array of industry players, the Expo not only showcases the latest advancements in medical technology but also cultivates an atmosphere conducive to fostering strategic alliances and driving collective progress towards advancing healthcare delivery and improving patient outcomes.
